Create Personalize Customize Preview

Create your first assistant

Let's get your assistant up and running. Name your assistant, add a description, and choose a language. In following steps we'll gather more information, show you basic customizations, and give you a preview of what your assistant will look like.

Assistant name

Banking Bot

Your assistant name will be kept internally and not visible to your customers

Description (optional)

0/128

Add a description for this assistant

Assistant language

English (US)

This is the language your assistant will speak.

Personalize your assistant

Tell us where your assistant will live

We will create your first channel integration for you, which will be visible on your dashboard. You can always add more or change later.

Where do you plan on deploying your assistant?

Web

Tell us about yourself

This information will be used to personalize your onboarding experience.

Which industry do you work in?

Banking and financial services

What is your role on the team building the assistant?

Developer

Which statement describes your needs best?

I want to make it easier for my customers to find what they're looking for in my app

This is what your customers will experience

Watson Assistant

Do you have the Speed Demons in stock?

The Speed Demons are in stock at our Downtown and Northgate locations, which are both within five miles of you.

What size and color do you need?

I'm looking for a size nine in white

Great news! The Speed Demons are available in white in a size 9.

You can purchase them for curbside pick up or we can ship them to you. Which would you prefer?

I'll pick them up!

Ship them to me, please!

hi

I'm afraid I don't understand. Please rephrase your question.
